Who We Are

Esilem Tekstil, founded in 2015 in Istanbul, is a foreign trade and marketing company with extensive market knowledge and an expert workforce. The company specializes in women's, children's, and men's tricot and circular knit production. **Esilem Tekstil focuses on fashion trend analysis, yarn and product development,** (including **catwalks, shopping, inspirations, styling, graphic design**) and is one of Turkey's leading fast-fashion suppliers. **As part of our group,** production is carried out at Gelişim Örme.

Founded in 2007, Gelişim Örme conducts the majority of its manufacturing at its factory in **Diyarbakır**, while also maintaining facilities in **Istanbul**.

We manufacture according to the quality standards of our well-known customers and hold **Sedex certification**, as well as **OCS and RCS certifications**.

Our main knitwear products include **pullovers, sweaters, cardigans, dresses, gloves, hats, and scarves** for women, children, and men.

Circular knit products include **T-shirts, sweaters, cardigans, leggings, dresses, and skirts**.
